What have we been up to?

Recently we have moved away from Rose Road and become an independent group. Since Early November we have

- Re branded and have a new logo. Thank you to those who entered. Winner and Runner ups have received their prizes including Matthew below with his Lego voucher. Winning logo is above.

- Worked with Testlands to run SEN inflatable sessions.

- Met with SCC on a few hot topics eg Transport, review of short breaks and many other meetings planned for the new year.

- Took part in a Facebook live with Tammy Marks (Head of Service SEN in SCC).

- Planned a recruitment drive for January.

- Next coffee mornings are Monday 9th January from 10 to 12 at Mercantile Flea in Bitterne and Friday 27th January 10 to 12 at Robins Nest in Regents Park.

- Planned several events for next year for families. Some you need to book spaces eg swimming and inflatables at Testland's. Click this link for more details.

We hope you have a lovely break over the coming weeks. I will still be checking emails and replying to Facebook messages just not as frequently during the holiday.

Do get in touch if we can help with something.

Take care, Amy and the Steering group
